

STRIKE IS UP TO LABOR BOARD REDS AND I. W. W. ARE BLAMED

Cabinet Meeting Results in Immediate Summoning of New Railroad Labor Board To Take Up Railroad Strike.

PALMER IN CONFERENCE WITH HIS HELPERS

Wilson Calls Board to Assemble In Washington Without Any Delay.

Little Change in General Strike Situation All Over United States.

Food Situation Grows More Serious in Leading Centers.

(By Associated Press)

Washington, April 14.—President Wilson and his cabinet discussed the railroad strike for more than an hour today and apparently reached some conclusion but there was no intimation as to its nature.

Attorney General Palmer made this statement as he left the White House:

"It is fair to conclude that the strike situation was discussed but I am not prepared to say what conclusions were reached."

Other members of the cabinet would make no statement. Some intimated however, that definite decision had been made one way or another as to government intervention.

Mr. Palmer went direct to his office and immediately called for a conference his assistants who have been keeping in close touch with the strike situation.

Soon after the meeting the President telegraphed the members of the newly named labor board asking them to come to Washington and be prepared to function as soon as their nominations had been confirmed by the Senate.

The immediate summoning of the board was one of the matters decided on at the cabinet meeting, it was learned. The President had been informed Senator Cummins, chairman of the Senate Inter-State Commerce Committee had prepared a resolution permitting the board to meet here instead of Chicago and the President's action was in anticipation of adoption of this resolution.

Shortly after convening today the Senate at the request of Senator Lodge went into executive session to consider nomination of the railway labor board.

CONDITIONS ARE BRIGHTER IN MANY CITIES

(By Associated Press.)

Chicago, April 14.—Improvement of freight traffic conditions in the Central West continued today, with

(Continued on Page Six).

"BIG FOUR" STRIKERS DECLINE TO RETURN

Roadmen Also Refuse to Take Place of Striking Yardmen In Ohio Cities.

Virtually All Freight Traffic Remains at Standstill In Columbus.

(By Associated Press)

Columbus, O., April 14.—Refusal of Big Four railroad yard employees to return to work under penalty of losing their jobs this morning, and refusal of roadmen on the Hocking Valley and the Toledo & Ohio Central roads to take the places of the striking switchmen, were today's principal developments in the railroad strike here.

The roadmen rejected the proposition to do the work of the striking switchmen after they had been notified that President Lee of the trainmen's brotherhood had declared trainmen could not refuse to work as yardmen if called upon.

If roadmen were required to take the places of the switchmen, it was declared, they also would join the striking switchmen.

Freight transportation on all roads remains practically at a standstill, and what switching is necessary for through trains was being handled here today by yardmasters, trainmasters and their assistants. Passenger service still was being maintained with only slight delay.

CONFERENCES BEING HELD BY MANY STRIKERS

(By Associated Press)

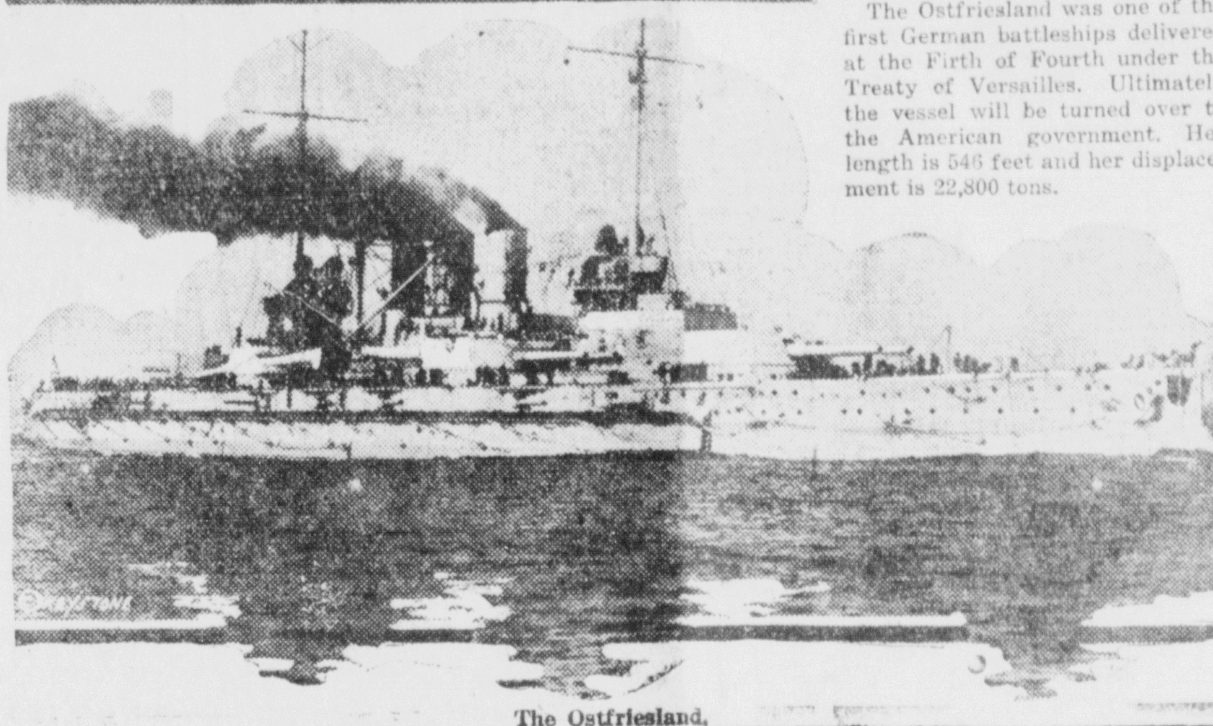

New York, April 14.—Washington held the center of the stage today in the nation-wide railroad strike. While the President was meeting the cabinet to discuss the strike other meetings were being held from coast to coast in an effort to end the tieup.

A meeting of all strikers on the Pacific coast was being held in San Francisco while strikers in the East assembled in Jersey City.

While these efforts were being made to induce the strikers to return railroads in all sections were seeking to meet conditions resulting from the walkout. Late reports indicated that while in the West the peak had been met and passed, in the middle West and New York roads had difficulty in doing more than holding their own.

New York strove valiantly to get its food and fuel supplies through the blockade.

GERMAN BATTLESHIP WILL BE TURNED OVER TO UNCLE SAM

The Ostfriesland.

The Ostfriesland was one of the first German battleships delivered at the Fifth of Fourth under the Treaty of Versailles. Ultimately the vessel will be turned over to the American government. Her length is 546 feet and her displacement is 22,800 tons.

HARDING CHAMPIONS DAUGHERTY

(By Associated Press)

Columbus, O., April 13.—To a capacity audience in Memorial Hall tonight, United States Senator Harding, Republican candidate for the presidential nomination, championed the cause of his campaign; Harry M. Daugherty, against whom most of the opposition to the Senator's candidacy has been directed.

He denied that candidates pledged to him were hand picked and declared the only protest against the list of Harding delegates had come from "those who sought to destroy the party."

Asserting that efforts had been made to have him discard Mr. Daugherty, the Senator said he "couldn't think of beginning a campaign by sacrificing a friend, no matter who asked it."

200 PERISH IN EXPLOSION

(By Associated Press)

Brussels, April 14.—Two hundred persons are believed to have been killed as result of an explosion in a chemical factory at Stolberg in Rhineland Prussia.

CHILlicothe NOT SATISFIED WITH FIGURES

(Special to The Herald)

Chillicothe, O., April 14.—Chillicothe is not quite satisfied with the census enumeration credited to it for 1920 and given out this week by the census bureau, and public spirited citizens are showing a disposition to argue the matter.

The enumeration given out by the census bureau is 15,831, or about a thousand short of the actual population, according to many citizens, who say they have it on "reliable but unofficial authority" that the old capital has all of 16,700 souls. Unofficial estimates of the population arrived at in various ways would seem to bear out the claim.

U. S. INVESTIGATOR IS PROBING STRIKE

G. W. W. Hangar.

G. W. W. Hangar, assistant United States commissioner of mediation and conciliation, has gone to Chicago to investigate the unauthorized strike of railroad switchmen.

SOLDIER BILL CALLS FOR \$1 FOR EACH DAY

(By Associated Press)

Washington, April 14.—A composite soldier relief bill granting adjusted compensation at \$1 for each day's service to approximately 3,000,000 former service men will be reported out within a week, the chairman of the Ways and Means Committee announced today, and passage of the measure by the House is planned before May 1st.

FEDERALS ON WAY TO SONORA

(By Associated Press)

El Paso, Texas, April 14.—According to reports here today 800 Mexican federal troops are on their way to Sonora and its capital, Agua Prieta, and more federal troops are on their way to Juarez and will later join the 800 troops. According to reports the troops of the state of Sonora are preparing to give battle.

LOWDEN IS FAR AHEAD IN ILLINOIS

(By Associated Press)

Chicago, April 14.—According to late returns Governor Lowden, of Illinois won the republican presidential preference primary in his home state yesterday by a plurality of 64,574 on returns from all but 430 scattered precincts, although Major General Wood carried Cook county, including Chicago, by 23,443, and Senator Johnson of California, whose name had to be written on the ballot, surprised political leaders by running up a vote of 45,193 votes, including 49,881 in Cook county. There were no democratic candidates, but a number of names were written in by a few hundred voters.

Mayor Thompson of Chicago, republican national committeeman, carried every ward except one for committeeman, thereby gaining complete control of the county organization for four years.

The vote according to late reports was: Lowden, men, 190,480, women, 22,502, total 222,982; Wood, men, 134,665, women 23,743, total 158,408; Johnson, men 35,516, women, 5,355, down state, men and women, 4,312, total 45,193.

10,000 WILL BE IDLE IN TOLEDO

(By Associated Press)

Toledo, O., April 14.—Ten thousand workers of the Wyllis Overland plant will be idle tomorrow the company announced today, as a result of the railroad strike.

Striking railroad workers here are considering a proposal to submit their grievances to the railroad board appointed by the President.

Coal was being confiscated here today to keep public utilities running and the food shortage was growing more acute.

REMAIN FIRM

(By Associated Press)

Canton, O., April 14.—The Canton lodge of Shophmen have voted to remain at work and not go out on strike with the switchmen.

CIVILIANS ARE GIVEN A ROUSING RECEPTION

Volunteer Strike-Breakers At N. Y. Terminals Cheered By Multitude.

Tie-Up Virtually Unchanged In World's Greatest City.

(By Associated Press)

New York, April 14.—Civilian volunteers to break the strike of rebellious railroad workers here were drilling in New York and New Jersey terminals today, and railroad officials announced that services of several hundred men probably would be utilized to operate suburban trains.

The first volunteer trains for commuters on the Erie were greeted at stations by great crowds waving flags and cheering.

On one of these trains, the Mayor of Westwood, New Jersey, was firing the engine, and the crew consisted of well known wealthy residents of the New Jersey town.

Commuters from New Jersey to New York boarded the trains today equipped with traveling bags and prepared, if necessary, to remain in New York.

Reports today indicated isolated movements of strikers to return to work. Fifteen crews of the Pennsylvania returned to work, and forty strikers on the Central Railroad of New Jersey returned.

There were some reports of further walkouts. Freight service remained virtually paralyzed, but the Pennsylvania announced sixty cars of food from Chicago would reach here tonight.

IRISH STRIKE CONTINUING

(By Associated Press)

Dublin, Ireland, April 14.—The general strike declared yesterday in protest against the treatment of the Irish hunger strikers in Mt. Joy prison continued today with added tension and increased fears of serious developments.

The Lord Mayor here announced today he had received instructions to free all political prisoners who are on hunger strikes who are considered in danger.

FIRE DESTROYS CAR BARN

(By Associated Press)

Dayton, Ohio, April 14.—Fire today destroyed car barns of the Dayton & Troy Traction line at Tippecanoe City, with a loss of \$150,000. Eleven passenger coaches were burned.

Russian Communists Said To Be Financing Strike As Step To Revolution In The United States.

I. W. W. MADE AGENT FOR A MASS STRIKE

Startling Information Issued By Department of Justice

Plans of Reds Laid Before The Cabinet Meeting Held On Wednesday.

(By Associated Press)

Washington, April 14.—Evidence obtained by the Department of Justice was said today to show that the Russian Communist Internationale is undertaking to use the railroad strike as the vehicle for the creation of a mass strike in the United States.

Reports from federal agents disclosed, it was said, that the communist party was financing and otherwise aiding the strike through the agency of the Industrial Workers of the World.

Evidence was declared to justify the statement that the strike was to be merely a step in the well known plan of the communist group and that the end and aim was a mass strike to be followed by a revolution.

Reports regarding the communist Internationale's part in the strike were laid before the cabinet meeting today, it was understood.

ARMY FOOD TO BE AVAILABLE FOR EMERGENCY

Governor Receives Word That Beef And Canned Meats Are At Command

Will be Used if Strike Conditions Warrant.

(By Associated Press)

Columbus, O., April 14.—Governor Cox today received a telegram from the director of sales of surplus army supplies at Washington stating that the War Department would co-operate in relieving the threatened food shortage in Ohio due to the railroad strike.

Frozen beef in storage at Cleveland and Cincinnati, the telegram said, will be available, as well as canned meats in storage at Columbus.

The surplus food supplies are to be handled through local city distributing agencies. All applications to handle these supplies must be made to Adjutant General Layton at the state house. The War Department advised that purchasers can affect delivery by motor truck.

GREAT SUCCESS MARKS MEETING OF PRESBYTERY

Local Man Chosen Delegate
To General Assembly.
Not To Enter Inter-
Church Movement.

Bloomington Royally En-
tertains Visiting Church-
men From South Central
District.

By far the most successful spring session of the Chillicothe Presbytery ever held at Bloomington came to an end Tuesday afternoon when all business matters had been disposed of and arrangements had been made for the next meeting. Every church in the Chillicothe district was represented and these persons together with their guests and many church members from this city, went to make up the largest attendance ever gathered together at Bloomington for such an occasion.

Much routine business was trans-

acted and matters of importance were considered at the Tuesday morning session. All delegations gave in reports at the last session in the afternoon.

Notably important in the business of the sessions was the motion made by Chillicothe Presbytery to refuse indorsement to the interchurch movement. This was passed with a very large majority, the consensus of opinion being that the church had all it could do to care for the New Era movement and that to enlist in the interchurch movement would only mean complications.

The Presbytery voted to enter a protest at the General Assembly in May against the extravagance of appropriation of one-twelfth of the budget for benevolences for this movement and this will put Chillicothe Presbytery on the floor of the Assembly. St. Louis and Philadelphia Presbyteries have already voted to enter protests at the Assembly in regard to other phases of this movement.

The delegates chosen to represent Chillicothe Presbytery at the General Assembly, the annual National Presbyterian Convention to be held in Philadelphia, in May, were Rev. W. C. Munson, of Frankfort, ministerial delegate, and Mr. A. J. Walker, of this city layman delegate.

Rev. Nicholson was released from the pastorate of Bainbridge, and will devote his time to the churches of Bourneville and Slate Mills.

The Home Missionary apportionment of Rev. Rej's salary, which is one half of his salary as pastor of the McNair Memorial Church, was increased from \$400 to \$500, after Rev. Gage took the floor to urge the increase.

Pleasant social features marked the Presbytery meeting and the hospitable town entertained the visiting ministers and delegates of South Central Ohio with every courtesy.

At noon Tuesday the women of the Presbyterian Church served a dinner that attested expert culinary skill and indicated that the high cost of living had not reached Bloomington. Every delicacy was included among the substantial viands served cafeteria style.

The basement of the church has recently been handsomely decorated and equipped and came in for its share of approval.

Action was taken to hold the fall session at North Fork, Ross county, sometime during September.

One job on your hands is better than two in your mind.

CHICKEN SUPPER

The Community Circle will give a Chicken Supper, Thursday evening, April 15th, 1920, at Mt. Eber Centralized School Building. Proceeds go for the benefit of the School. Everybody is welcomed. Supper for all.

J. W. DUFFEE & CO.

The Old Reliable Cash and Basket Grocery.

OLD COURT HOUSE BELL IS REMOVED

The old Court-house bell rang out its last peal as a Court-house bell yesterday.

Perhaps the next time that its well-known tolling is heard it will be to call in the hungry farm hands on some Clinton County farm, as the bell is to be auctioned off Saturday afternoon, on the Courthouse corner by Mayor Charles Ayres.

The bell was taken down from the belfry of the old Court building yesterday and just before it was removed, it was tapped for several minutes by Foster Warner, who is razing the old building.

The bell has been in service since 1846, serving many purposes and in the olden days called many juries together, when Court administration was somewhat different compared to the present time. The bell was cast by G. W. Coffin, of Cincinnati, in 1846, and is made of the best brass bell metal. It was placed in the Court-house after it was erected.—Wilmington News.

HUNDREDS OF NAMES INSCRIBED ON QUILT

Names from which almost three hundred dollars has been secured for the Red Cross may be seen inscribed on a bed quilt in the show window of the Craig Bros. Department store.

Between eight and nine hundred persons have paid amounts ranging from twenty-five cents to five dollars to have their names embroidered on the quilt. The Ladies Aid Society of the White Oak Grove Church originated the novel way of raising money. All embroidery was done by Mrs. C. E. Elwood of near Stanton. It is a good example of delicate needle work.

The quilt is offered for sale and will be sold to the highest bidder. The local chapter of the Red Cross will receive the proceeds.

It is possible that four hundred dollars may be realized for the quilt before it passes into private ownership.

TRAINS DELAYED AT UNION STATION

The west bound afternoon trains on both branches of the B. & O. were delayed for a short time at the Union Station in this city Tuesday afternoon at 3:30, when the engine of the Royal Blue flyer blew a cylinder head just after starting to pull out from the station. The west bound on the Dayton division was forced to wait a short time.

The cylinder mechanism was disconnected from the one side and the train left this city with the engine using only one cylinder.

MAY SUSPEND

The Xenia Gazette has made the announcement that unless the railroad situation clears up and unless the paper is able to get more news print within a short time the Xenia Gazette and Republican will be forced to suspend publication until the paper arrives. A consignment of paper from the Canadian mills is tied up in the yards at Detroit, the news paper states.

GET ON THE BAND WAGON.

ICE CREAM IS FOOD (If Properly Made)

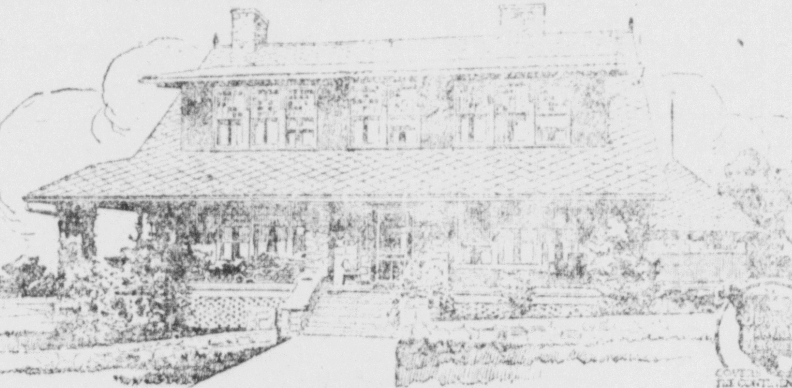

Our ice cream is more than a confection; more than a frozen dainty. It is real food because we use pure ingredients and real sure-enough cream in its making.

We'll Say It Is

One customer who has been buying right along since first trial, says it's the best cream ever sold in Washington. He knows!

Take Home a Pail This Evening.

Victory Confectionery

When your neighbor's house burns--

is your home safe? Will flying sparks and brands drop on your roof and die out harmlessly—or will they kindle it into flame and add your home to a dreaded community conflagration?

If there are buildings near you, and your home is covered with inflammable roofing, you are not safe from the menace of roof-communicated fire. A house roofed with inflammable materials is recognized by town, city, state and insurance authorities as a fire risk—a danger not only to you and your family but to others.

Johns-Manville Asbestos Shingles

offer safety—a shingle roof which cannot burn—a positive barrier to roof-communicated fire. An asbestos shingle roof not only takes the base rate of insurance but lasts as long as the building it covers. It enhances the architectural appearance of your home and gives you the cheapest per year service of any roofing obtainable.

An investment in Johns-Manville Transite Asbestos Shingles for your home is a contribution both to civic safety and to individual economy. Your money is returned to you many times over in safety, appearance, long life and remarkably low upkeep.

THE WASHINGTON LUMBER CO.

PLACING HOTEL IN CONDITION

The work of redecorating Maple Grove Hotel and preparing it for the opening on May 1st, is now under way under the direction of the new manager, B. C. Mace, who has nearly a score of workmen employed in repainting and redecorating the building generally, improving the grounds, and making detailed arrangements to accommodate the unusually heavy patronage expected during the summer.

Indications that the big summer and health resort will be more popular than ever before, and that evening dinners will be greatly in demand by local citizens.

Mr. Mace is allowing no expense to stand in the way of placing the hotel in the best possible condition.

NOTICE

Declaring Peace

Quite naturally there is a great deal of discussion, pro and con, regarding the action of the House of Congress in adopting a resolution declaring the war with Germany at an end.

While the adoption of such a resolution by the House and concurrence in such action by the Senate can do no harm, and may do some good, there is need to be cautious in seeing to it that our expectations, in regard to the resumption of trade and diplomatic relations with Germany do not exceed those warranted by the actual effect of such action.

Congress has power, under the constitution, to declare war but not to negotiate peace. The contention that trade and diplomatic relations, once severed, can only be resumed by entering into new treaty obligations seems justified by the constitutional limitations.

As a matter of course Congress has full power to repeal all war-time laws and that will measurably loosen the bonds which have been exerting an unsatisfactory restraint upon business and upon individuals, but it is very questionable if such action, even if supplemented by a repeal of the "declaration of the existence of a state of war with Germany" will so fix the status between the two nations as to warrant any extensive resumption of trade relations with any confidence in the ability of individuals to enforce contractual obligations, growing out of transactions between residents of the different nations.

Strikes Are War

The strikes of railway switchmen and yardmen which have seriously disarranged the nation's commerce, no matter whether it is "unauthorized" or not, has again brought to the forefront the demand that an end be put to these repeated strikes of workers, paralyzing industries which affect the people.

A strike by such workers as railroad men or coal miners is nothing less than a declaration of war by a very small minority of the people against organized society and it is inconceivable that the nation cannot and will not protect itself from the consequences of these recurring outbreaks—these declarations of war against the people.

Under any other guise such a rebellion would be promptly put down. The innocent millions of men, women and children throughout the nation are abundantly protected against war by foreign nations and against rebellion at home as those dangers have been defined in the code of wars.

But no armed force, whether invaders or rebels, could strike a deadlier blow at the people of the nation than do these strikes which put out of commission the vital work of the nation and bring millions of Americans to the verge of starvation.

There are tribunals in abundance for adjusting all grievances between citizens and why labor, especially in essential industries, should be permitted to exercise the right of rebellion is not clear.

Strikes are war, and no citizens have a right to declare war on their neighbors.

News Print Paper Shortage

Practically all newspapers have inaugurated a rule of rigid economy and the consumption of newsprint paper is being held to the minimum imperatively demanded by necessity. Some of the larger metropolitan papers are issuing editions containing but a mere fraction of the print paper used so prodigally during the last five years.

True this saving cannot all be attributed to the highest motives. Much of it has been brought about because of the exorbitant price of newsprint paper and some newspaper publishers not properly catalogued among those who save because of regard for others, nor because they cannot live and pay the ruinous prices prevailing, have been compelled to reduce consumption because of inability to obtain newsprint paper at any price. Newspaper publishers, large and small, throughout the land, are right in front of the gun. They are face to face with the most serious crisis in their history.

What publishers are to do to get paper and how they can pay the present prices demanded an increase of nearly seven hundred percent is causing newspaper men to take a pessimistic view of the future.

Not matter what the cause, the condition is serious in the extreme. Perhaps the present disturbance of the newsprint lines, plus the staggering increase in price will bring about an era of economy which will allow the paper mills to get even with the demand.

It is clear that steps must be taken to stop waste, to hold consumption down to the demands of the public and to free the market of speculators.

POETRY FOR TODAY

GAGE

Leave me, and let the sacrifice be mine;
Leave me, and let me take the way I know
Twist sleep and walking though it be to go
The long road home—and I will ask no sign.

A lark is at his early cup of dew;
The mills march down like armies to the sea,
Hoarding dawn's red standard. Can it be
Beauty is but a wall to batter through?

I have had for too great a joy of these
Shadows and misty semblances to hope
For light more searching or for keener light.
Let me be lost and beaten to my knees
I will rise up the staidier to grope
Through such a darkness through so rich a night!

—Reedy's Mirror.

FELT LIKE KNIFE WAS BEING STUCK INTO MY BACK

Sandusky man suffered agonies from lumbago, backache, kidney trouble, and rheumatism.

Nothing helped him until he got Drecto, the great root and herb medicine.

"If some one had stuck a knife into my back, it would not have hurt any more than my back and side did from lumbago and rheumatism," said Mr. John Rider of Cottage A, Soldier's Home, Sandusky, O.

"Only those who have this trouble realize my feelings, for you have to go through it to know what the suffering is like. I was in misery all the time and when I would lie down could hardly turn over and when I'd get in a chair I'd hate to get up on account of the pains. My sleep was badly broken and I was getting weak. My stomach was in a very weakened condition from the strong medicine I took for my rheumatism. I was taking two kinds of medicine for rheumatism when I read of Drecto and put both aside for this new medicine. Drecto proved in a few days that it was real medicine for I soon saw the effects. My pains got easy, my sleep became sound, the backache passed away and I could get up and down without pain, my stomach got better and my food now agrees with me. I'm still taking Drecto for I want to give it a fair chance to get me absolutely right again and I feel it can do this."

Any remedy that restores the natural functions of the human body is a health-making remedy. The use of Drecto, the great herb medicine, tends to restore the appetite, to procure natural digestion, which is followed by an increased circulation and nutrition of the whole body. Lean, haggard, bloodless people begin to gain weight, strength and flesh at once from taking Drecto, as they themselves declare in signed testimonials.

All good druggists now sell Drecto and it is being specially introduced in this city by

Ford
THE UNIVERSAL CAR

The Ford Sedan is the favorite family car, seats five comfortably. While an enclosed car with permanent top, it has large windows, and may in a minute be changed to a most delightful open car with always a top protecting against the sun. In inclement weather it is a closed car, dust-proof, water-proof, cold-proof. Finely upholstered. Equipped with electric starting and lighting system and demountable rims with 3½-inch tires all around. A real family car. Anybody can safely drive it. It has all the conveniences of an electric car with the economy which goes with Ford cars, low cost of purchase price, small cost of operation and maintenance. Won't you come in and look at it?

GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the pain and without the blister. Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Gently massage Musterole in with the finger-tips. See how quickly it brings relief—how speedily the pain disappears.

Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (it often prevents pneumonia).

30c and 60c jars; hospital size \$2.50.

MUSTEROLE
WILL NOT BLISTER

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. No gripping results from these pleasant little tablets. They cause the liver and bowels to act normally. They never force them to unnatural action. Dr. Edwards' Olive Tablets are a soothing, healing, vegetable compound mixed with olive oil.

If you have a bad taste, bad breath, feel dull, tired, are constipated or bilious, you'll find quick and sure results from Dr. Edwards' little Olive Tablets at bedtime. 10c and 25c a box.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

Following the announcement made by Arch Deacon Dodshon, of Zanesville, that Rev. William V. Mueller, who last summer supplied the pulpit at St. Andrews church, has been assigned by the Bishop as the future rector of St. Andrews, there will be added local interest in the following account of his marriage, carried in Saturday's Beacon-Journal of Akron: "Simply characterized the wedding of Miss Olive Elisabeth Branch to Rev. William Vincent Mueller, son of Dr. and Mrs. A. A. Mueller, of Delafield, Wis., which took place at the home of the bride's parents, Dr. and Mrs. E. E. Branch, 55 Mayfield avenue, at four o'clock Friday afternoon, April the ninth.

"The Episcopal marriage service was read by Rev. George P. Atwater, pastor of the Church of Our Savior in the presence of only the immediate family.

"After a short wedding trip the couple will make their home at Washington Court House, where Rev. Mr. Mueller will be pastor of the St. Andrews Episcopal Church."

Rev. Mueller has been engaged in teaching at St. Johns Academy, Delafield, Wis., and will be ordained and enter actively upon his pastoral work upon the close of the school in June. He will have in charge both the St. Andrews church and the All Saints church in Wilmington, but will make his home in this city.

During the few months in which Rev. Mueller has been associated with the local Episcopal church he has made a favorable impression and won for himself friends both in and out of his congregation, and his permanent location here is pleasantly anticipated.

The April meeting of the Selden Grange held at the home of Mr. and Mrs. M. E. Rowe, Tuesday evening, was a very enthusiastic one, the next meeting to be held May 13th at the home of Mr. and Mrs. Foster Winkle.

During the business session, the business agent of the local Grange was authorized to purchase all the twine needed by the members through the State Grange business agent.

The Literary program was in charge of the "three Graces" of the order, Mrs. George Cline, Mrs. W. E. Sollars and Mrs. Marvin Slagle. Nut shells, in which were enclosed questions were passed, and the answers given when the Roll was called. Mr. and Mrs. Foster Winkle added a vocal duet, which was very much appreciated, and there was also other music on the program.

A clever guessing contest was enjoyed. Mr. C. O. Deere winning the first prize and Mr. Elmer Rowe the consolation.

Delicious refreshments were served.

Mrs. L. E. Miller was hostess to the Tuesday Kensington Club, with Mrs. C. U. Armstrong, Mrs. P. E. Wolford, Mrs. Harry Hays, Mrs. Robert Sanderson, Mrs. Martin Cox, and Miss Wanda Wolford additional guests.

Dainty refreshments were served the women lingering together in pleasurable sociability throughout the afternoon.

The story telling hour which has been conducted by the Mothers' Circle at the Public Library will be discontinued during the late spring and summer months. Children have flocked to hear the stories entertainingly told by members of the Circle and their friends and the hour has been one of both benefit and enjoyment to them.

This is one of the many helpful things introduced and carried through by the Mother's Circle.

Fashionable Riverside, one of California's colonies of the visiting rich from the East, has provided a new society diversification. It is the "patent medicine" party, where gaiety is provided out of tonic and alternative bottles. Recently some of the guests were fined \$25 for attending one of these affairs because they hilariously kept uninvited neighbors awake all night.

Y. W. C. A. girls in one of the New York City Associations have turned the temporary boot-blacks, manicurists and beautifiers to their feminine employees in the Y. W. C. A. building in the unique effort to raise a goodly

sum of money for the National Campaign. Not only are pies, cakes and candies being sold in the tried and true style of previous years, but a shoe shining parlor has been set up in a conspicuous place to attempt the person hurrying through the halls; a "beauty parlor" where shampoos, manicures and all the mysterious wiles are practiced runs at high speed in the noon hour and early evening; several button sewers and darners take in all the weekly mending that is offered. Through these small but most necessary services the Association in question expects to raise a considerable sum to add to the general fund.

The bus had halted in front of one of Fifth Avenue's best known shops for feminine finery, and a delectable frock, all youthful frills and delightful frivolity, attracted the eyes of the young people who sat behind the Woman. They had been talking much of "Toby" how he looked when he first waked up from his nap and of all fascination an almost brand new baby has for his doting young parents. Then, as she noticed the charming frock in the window, the little wife asked, "How would you like that frock on me?"

"I think it would be great on a debutante," replied Young Husband.

"Oh," wailed Vice Wife, "you think it is too young for me."

"No dear; only it is really for awfully young things; mere children, you know. You wouldn't want to be a debutante again, now would you dear? Think of Toby."

"No-o-o," said Wife hesitatingly. "I don't want to be a debutante, but I want to look like one!"

Isn't that the spirit of all woman-kind!—New York Sun.

Mrs. J. F. Dennis returned Wednesday from a visit of several months in Los Angeles, Cal., with her daughter, Mrs. Michael S. Creamer and family.

Mr. and Mrs. Clayton Swartz (Clara Rhubert), spent Sunday in Troy, the guests of Mr. Swartz' mother, Mrs. Rosa Tharp.—Xenia Gazette.

Miss Marian Cadwallader was over from Wilmington Tuesday evening, visiting her parents Mr. and Mrs. J. L. Cadwallader.

Messrs. W. H. Dial, George A. Worrell, E. L. Bush are among local Masons attending the Scottish Rite in session in Columbus, three days this week. Dr. A. M. Bush, Mr. Harry Hosier and Dr. G. S. Hodson are in the class taking the Scottish Rite degree.

Jeffersonville was well represented in Washington's shopping district Tuesday, among those who were here Mr. and Mrs. G. L. Bush, Mr. and Mrs. George Matthews, son, Lynn, Mrs. John Robbins, Mrs. L. A. McKelip and little son, John L. Mr. and Mrs. Ellsworth Vannorsdall.

Mr. Will Hettosheimer, Bernard Smith and Oliver Tracy attended the theater in Wilmington, Tuesday evening.

M. Grove Davis was a visitor in Columbus Tuesday.

Mr. and Mrs. Earl Barnett, son Edgar Earl, Miss Myrtle McCoy and Mr. Willard J. Barnett, of Shawnee, Okla., were motoring guests in Columbus Tuesday. Mrs. Barnett and son remained over the guests of Mrs. E. F. Kinnear.

ARMENIAN GIRL HELD CAPTIVE IN HAREM FINDS REFUGE HERE

Nargis Avakian.

After five years' captivity among the Turks, Nargis Avakian, a pretty fifteen-year-old Armenian girl, has arrived safely in the U. S. The girl was taken prisoner when the Turks broke into her home at Zara, near the Black sea, killed her father and mother and carried her into captivity.

Mrs. Ralph Lones and daughter, Dorothy Louise, of near Wilmington are visiting Mrs. Lones' parents, Mr. and Mrs. James Hodge on the Plymouth pike.

Mr. and Mrs. Roy A. Barnes were over from Millersville Tuesday the guests of Mrs. Barnes' parents, Mr. and Mrs. A. L. Todd.

Mr. and Mrs. Bruce Mark were visitors in Columbus Wednesday.

Mrs. Henry Brownell has returned from a visit with her daughter, Miss Ruth, at the Ohio Wesleyan University.

Mr. Willard J. Barnett left for his home in Shawnee, Okla., Wednesday after a visit with his uncle, Mr. N. S. Barnett, and family.

Mrs. Jesse Persinger spent Tuesday with her parents, Mr. and Mrs. W. F. Morford in Columbus.

Mr. and Mrs. Grant DeWitt were visitors in Columbus Wednesday.

Mr. Herbert Preston arrived Tuesday from the University of Wisconsin, Madison, Wis., to spend a few days with his parents, Rev. and Mrs. Kearns Preston, at Bloomingburg.

Mrs. Fred Bailey, daughter, Mrs. Stanley Hagerty and Mrs. Charles Marvin went to Columbus Wednesday to spend several days.

Mr. and Mrs. Frank Michael went to Columbus Wednesday to see McIntyre and Heath in "Hello Alexander."

Washington friends will be interested to learn of the birth of a son to Mr. and Mrs. Howard Manning Sunday, April eleven, at the Protestant Hospital in Columbus. The baby has been named Robert Harkens.

Mr. L. E. Miller spent Tuesday in Columbus on business.

Mr. Frank Jackson and Mr. G. H. Woodmansee were business visitors in Columbus Wednesday to investigate the extent of the damage done to the Glove Factory, owned by the Inskip Mfg. Co. in that city in a recent fire.

Miss Freda Koontz of Columbus has accepted an office position with the Casey Sales Company on North Fayette street.

20 AUTO LOADS GO TO COLUMBUS

Twenty auto loads from this city made the trip to Columbus, Tuesday evening, to hear Senator Warren G. Harding, and returning reached this city about midnight.

While making the return trip a few miles south of Columbus a machine in which Sheriff N. B. Hall and County Clerk Ray Moots were riding, struck a small piece of timber in the road and this was hurled against the glass in the machine with result that both were painfully, but not seriously hurt.

Home Craft Week

The Well Groomed Home

often depends for its style, its individuality, upon its window draperies, particularly its window lace. Certainly no part of your home furnishings is more in evidence and none seen by a greater number of people. That is why our

Home Craft Week

April 12 to 17

centers in showing the latest styles in window draping and in a display of the newest and most charming drapery materials—especially the famous Quaker Craft-Lace.

Have you seen the new Lace Day-Shade? Then that is one of the drapery styles that you will want to see in our Home Craft Week display.

The wonderful color combinations shown in our elaborate display of Madras, Terry Cloth, Marquisette, Sultana Cloth and Cretonne is irresistible to the lover of attractive windows.

Craig Bros.

LAST SESSIONS TRAINING CLASS NOTABLE EVENT

Plans for the carrying out of the work on a much larger scale next year were advocated at the last session of the Interdenominational Teachers' Training Class conducted by Dr. Franklin McElfresh at the Federated Club rooms Tuesday evening. Arrangements were also made for bringing Dr. McElfresh back to this city for a Teachers' Training Class next September to be conducted along more advanced lines and also to bring the matter before a larger number of people.

Present with the members of the class were the members of the Sunday School committee who gave their full support to the movement and offered hearty co-operation.

P. L. Fraser, Secretary of the Young Men's Christian Association, presided over the meeting and gave out some interesting facts concerning the formation of a teachers' training organization for religious needs of the community. He stated that the attendance of sessions held here during the winter despite such serious handicaps as the influenza had averaged fifty-five persons. Dr. McElfresh, who added a word, declared that the average attendance was remarkable.

Two subjects relative to the work being carried out by the class and of interest to the Sunday schools of the county were discussed by Dr. Franklin McElfresh and Herbert Mayer, head of the Young People's State Sunday School, Department.

Almost one hundred persons attended a luncheon at six o'clock. Twenty persons, faithful during the year, were called on to give individually their expression of benefits derived from the class.

Those persons who represented the Sunday schools of the city at the last session of the class were: William McClain, Grace Methodist Church; J. E. Cadwaldaer, the Church of Christ; Laris Hard, First Baptist Church; Mrs. M. O. Ireland, McNair Memorial Church; Mrs. Chloé Jackson, the First Presbyterian Church.

CLINTON BAPTIST ASSOCIATION IN SPRING MEETING

The Clinton Baptists Sunday School Association is holding the spring meeting of the organization at Wilmington, with Harry Wood, of this city, president of the association, presiding over the conference, and a number of other Washington Baptists in attendance.

The chief address of Wednesday afternoon was delivered by Rev. A. W. West, of Chillicothe, formerly of this city.

Thursday the Women's Missionary Society of the association will hold a conference, and Mrs. John Case, of this city, will preside.

MUST OBSERVE THE BARRIERS

Definite announcement is made by the authorities that while the up-town streets are undergoing improvement the barriers placed in position must not be removed for passing over that portion of the streets barred to traffic.

Persons disobeying the order, it is announced, will be held personally responsible for any damage resulting.

\$50,000 MORE FOR POSTOFFICE

Announcement comes from Washington, D. C., that application made by Hon. J. D. Post for an additional \$50,000 for the new post office building in this city had been allowed, and the amount will be added to the sum set aside several years ago for constructing an attractive federal building on the lot, corner Hinde and West Market streets.

No indications have been given as to when the work on the new building will begin.

PALMER IS NOW THE SOLE OWNER OF LOCAL GARAGE

W. W. Hamilton has disposed of his interests in the Palmer Garage on East street to Will Palmer, who is now sole owner of the garage business and has control of the building on East street which houses the garage business.

During the year that the firm has been in existence, it is announced, a business reaching well onto \$100,000 has been transacted by the firm, and continues to show improvement.

Mr. Palmer expects to devote every energy to the growing business and continue it along the same lines as heretofore.

FORTIFY AGAINST STOMACH TROUBLE

Spring and summer are dreaded by many people because of the danger of stomach trouble and other disorders of the digestive system. Nine times out of ten such troubles are the result of failure of the eliminative organs, and only manifest themselves after Nature has struggled unaided to throw off the cause.

The safest health insurance is through the regulation of the bowels, and Duffee's Fifty-Fifty Tonic Laxative answers a big need by furnishing the medium through which proper action is secured, the muscles toned up to full vigor, and regularity restored. Nothing in this reliable laxative is habit forming, and its discriminating use is safe, pleasant and sure. Your grocer and your druggist have it in convenient cartons. Carry a package with you.

STRIKE IS UP TO LABOR BOARD

(Continued from page one)

insurgent railroad men returning to work at several points, but the industrial situation in Ohio and Michigan reached a crisis as a result of stoppage of fuel and supplies, and in the far West, where a dozen passenger trains were stalled in southern California, the situation became increasingly serious.

Both insurgent leaders and railroad brotherhood officials today said the fight had evolved into a "lingering affair," but the brotherhood men declared the insurgents gradually were losing strength.

Railroads in Chicago are concentrating every effort in moving freight, and officials said fifty percent of the switch engines in the district were operating.

Government agents were taking a close check on the strike situation in various railroad centers; and at New Orleans, eight insurgent leaders arrested last night in a raid on a strikers' meeting were held today on federal warrants charging interference with the mails.

CLEVELAND IS STILL TIED UP

(By Associated Press.)

Cleveland, O., April 14.—With the exception of the New York Central Collinwood yards, where 100 striking switchmen returned to work today, and the Erie yards, where 100 men returned to work yesterday and reported again today, all Cleveland freight terminals were completely tied up.

BRAKEMEN AND CONDUCTORS OUT

(By Associated Press.)

Alliance, O., April 14.—Conductors and brakemen of the Pennsylvania joined the switchmen's walkout today, causing complete tie-up of all freight traffic.

IN CINCINNATI

(By Associated Press.)

Cincinnati, O., April 14.—About 30 percent of the 1400 switchmen in the Cincinnati terminal yards were on strike today.

LITTLE CHANGE AT YOUNGSTOWN

(By Associated Press.)

Youngstown, O., April 14.—There was practically no change in the strike situation in this district today and no passenger trains were run again today on some of the lines.

COLUMBUS DOCTOR SPEAKS TO SOCIETY

Dr. J. H. Upham, noted medical specialist of Columbus, spoke to the Fayette County Medical Society at the Y. M. C. A. Tuesday evening on the subject of "Diabetes." The meeting followed a six o'clock dinner at the Cherry Cafeteria.

Medical men and women from all over Fayette county were in attendance. Consideration of a new fee basis was discussed.

CROSSINGS LACK REAL PROTECTION

Attention is forcibly drawn by the tragedy which occurred at the Pennsylvania railroad crossing at Sycamore street Tuesday afternoon to the matter recently placed before the City Council by the Fayette County Automobile Club regarding gates at railroad crossings in order to afford proper protection to automobile drivers.

At very few crossings in the city is there any protection given to the public, it was stated in the communication. Some definite action may result as the danger to public becomes more evident.

After breaking a five dollar bill the pieces are soon lost.

LAWN FERTILIZER, IN STOCK C. H. BONHAM'S, FLORENCE S. USTICK, AGENT.

INSKEEP MFG. CO. ESCAPES DAMAGE

Announcement is made by officers of The Inskeep Manufacturing Company, of this city, that the Columbus branch of the concern, located in the old Hartman block, corner Rich and Third streets, escaped serious damage in a fire which early Wednesday morning caused about \$39,000 damage to firms in the block.

A fire wall and fire doors saved The Inskeep Mfg. Company from serious loss.

Announcement is made that the factory will resume operations Thursday morning.

CLOSING WORK "Y. W." FINANCIAL CAMPAIGN

The finance committee of the Y. W. C. A., Mrs. Austin F. Hopkins, chairman, met at the Y. W. C. A. rooms Tuesday afternoon to make reports and to further plans for the closing work of the finance campaign.

This campaign will be continued for a little longer, because the canvass was not quite complete on Thursday of last week.

The faithful and efficient service of the solicitors and the gracious response of the donors, brought about very gratifying results, but it is the earnest desire of the community and of all who have the highest welfare of the womanhood of Washington C. H. and vicinity at heart, that those who have not yet contributed to the Y. W. C. A. be reached and the budget fully completed before the organization meeting, called for Tuesday, April the 27th, at the High School building.

The committee hopes that to this end there will be gracious response from all those who are interested in the development of the girlhood and the young womanhood of our community.

The non-fee membership list has reached splendid proportions and perhaps some enrolled members are not yet subscribers. If it is their pleasure to contribute and they have not yet been solicited, will they kindly see some member of the finance committee, Miss Jean Howat, office chairman, or Miss Townsend, Y. W. C. A. Secretary.

SAD TRIP HOME IS ENDED WEDNESDAY

Mrs. Almer Hegler reached this city with the body of her husband from Los Angeles, Cal., Wednesday morning on the 10:41 B. & O. train and went at once to her country home near Fairview. She was accompanied from Los Angeles by Mrs. J. F. Dennis and Dr. W. E. Ireland, the latter stopping at St. Louis, Mo., to go on to Shelbyville, Ill., for a stay of some weeks with his daughters, Mrs. Dove and Mrs. Shoaff. Messrs. Orris and David Hegler and Mr. Elmer McCoy joined Undertaker McCoy in Cincinnati and came up with them and other relatives and friends were in waiting at the station.

Mr. Hegler's funeral services will be held at Fairview church Thursday at 2 p. m. and burial will be made in the Washington cemetery.

SOVIET RULERS MAKING THREATS

(By Associated Press.)

London. (By Mail)—The Russian Soviet government has threatened to put the workshops of the northern railways under martial law to put an end to what it calls the "crime" of the workers in wasting time in holiday making, according to a wireless message from Moscow. The government asserts that 1000 working days were thus lost in one month and that "railway" men are arranging to have two days of idleness each week at a time when millions of people are hungering and when it is impossible to transport bread, owing to lack of railroad engines." It notifies the idlers that they will have to make up for the time "of which the republic has been robbed" or receive full penalty under martial law.

The message issued by the government is headed "Shame Comrades" and declares that Russia cannot await salvation from foreigners but must fight her own internal blockade in order to "end the ruinous condition of things, conquer hunger and save the Soviet Republic."

USING HELMETS

(By Associated Press.)

Croydon, Eng., (By Mail)—Ten thousand German army helmets have been crushed into the mud at a salvage depot here to make a pathway for captured German guns and other heavy traffic. It would have cost more to sell them as souvenirs than would be derived from the sale.

The nearer you get to a dollar the smaller it looks.

NOTICE

As I am moving from the city and have some surplus furniture and draperies will offer same for sale at my residence on North Northe St. Thursday, Friday and Saturday; parties interested can receive description of same by calling Automatic 8191. 89 t3

Lesson in Optometry

LESSON ONE

What is Optometry?

Optometry is the science of measuring the various errors of vision, and supplying the proper glasses for their correction.

Is Optometry growing in importance and scope?

Yes, it is fast assuming its proper position as an essential to human advancement.

Are the public as familiar with Optometry as they should be?

By no means. Optometry is far more important than the majority of people have any idea of.

Who is interested in these Lessons?

Every person whose eyes are in an abnormal condition.

What percentage of people have abnormal vision?

Approximately 70 percent.

Would these seven in ten people be the better for securing the aid of an Optometrist?

Unquestionably, as their efficiency and enjoyment of life would be increased. See next lesson.

DR. N. H. CHANEY IS COMPLIMENTED

The Youngstown Telegram a newspaper which at times has been emphatic in its disagreements with Dr. N. H. Chaney for many years superintendent of the Public Schools in that city and prior to that for several years principal of the local high school and superintendent of the Washington schools, compliments Dr. Chaney editorially:

The Telegram says regarding Dr. Chaney and his work:

Probably everyone who has the good of Youngstown's schools at heart and feels a sense of gratitude for the good work they have done will regret deeply the retirement of Dr. N. H. Chaney from the position of superintendent of the public schools.

Dr. Chaney has been here for eighteen years. This is a comparatively long period in itself, but does no measure altogether his services to the city. One must understand as well that in this time the schools of Youngstown have virtually tripled in number, the course of study has been changed and modernized and the schools throughout have more than kept pace with the development of the city in the era of its greatest growth.

Dr. Chaney has given the best that was in him in the best years of his life. Residents of the South Side in particular owe him a debt of gratitude for he, more than anyone else, is responsible for South High School. He worked for its founding and has labored for its success, although obstructed in both instances by intensely selfish and narrow-visioned interests. In his efforts for its organization and its management he made enemies, and it is not too much to say that if he had retreated in the face of opposition the South Side might be without a high school today instead of having one of the best institutions of this kind in the country.

The Telegram has disagreed with Dr. Chaney often. It disagreed honestly, and always recognized his views as honest ones even when it did not agree with them. It recognizes that some time he has had to assume the blame for mistakes that were the school board's and not his. In it all he has manifested a fine spirit and has shown a comprehensive grasp of the educational needs of Youngstown that has won him recognition as a broad and able school man throughout the country.

The public will endorse the course of the school board in giving him one year's salary as emeritus superintendent as by so doing it will permit him to retire on a fair pension at the end of that period. Dr. Chaney has well earned this and more from the people of Youngstown by his long period of earnest, faithful and able service.

ANOTHER CAR LOAD EQUIPMENT ARRIVES

Another car load of equipment for the Andrews Asphalt Paving Company arrived in this city Tuesday morning over the B. & O. It was made up of additional equipment for the resurfacing work now in progress.

Workmen Tuesday afternoon began to tear out the brick paving in front of the City Fire Department. Only sections of this paving will be taken out at a time in order that movements of the fire trucks may not be affected.

TOO WEAK TO DO ANYTHING

A Serious Feminine Illness Remedied By Lydia E. Pinkham's Vegetable Compound.

Casco, Wis.—"After the birth of each of my children I had displacement and was so weak I couldn't do anything. I found a book about Lydia E. Pinkham's Vegetable Compound and thought I would try it, and after taking it I soon felt better. That was fifteen years ago and I have felt well ever since except that I had a slight attack of the trouble some time ago and took some more of your Compound and was soon all right again. I always recommend your medicine and you may publish my testimonial for the benefit of other women."—Mrs. JAMES BERO, JR., R. 1, Box 99, Casco, Wis.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today holds the record of being the most successful remedy for female ills in this country, and thousands of voluntary testimonials prove this fact. If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

SPRING PIGS DIE BY THE THOUSAND

Farmers report an unusually heavy loss of spring pigs, probably due to the very bad weather rather than to any particular epidemic.

Decrease in the number of hogs in the county is indicated.

The same condition prevails over much of the state, as attested by a statement from the State Agricultural Department which says:

"Reports indicate a decrease in the number of brood sows of 9 per cent compared to a year ago. The losses sustained by many farmers in the marketing of last year's hogs and the high price of corn is discouraging production. Many reports have been received showing an unusually high mortality among young pigs. If this is true, combined with the decrease in the number of brood sows, it will mean a very material decrease in the number of marketable pigs raised in Ohio this year."

It is believed that the loss in Fayette county alone will reach into the thousands.

CUT THIS OUT—It Is Worth Money
DON'T MISS THIS. Cut out this slip enclose with 5c to Foley & Co., 2535 Sheffield Ave., Chicago, Ill., writing your name and address clearly. ZEMO STOPS ITCHING, BURNING ECZEMA

A CLEAN, ANTISEPTIC LIQUID

The very first application of clean, liquid ZEMO stops itching and burning skin. Eczema and most forms of itching and disfiguring skin troubles usually start to heal, and in a short time yield to this soothing, antiseptic wash.

If you have used many soaps and greasy lotions, try one 35c trial size, or extra large bottle of ZEMO for \$1.00 and see the difference between a smear and a clean, efficient and economical treatment for your skin.

ZEMO SOAP is healing and should be used with ZEMO in aggravated cases.

The E. W. Rose Co., Cleveland, O.

TAX LISTERS ATTENTION

Personal property will be listed for taxation in the same manner as last year, each person owning or holding personal property of whatever nature is required to furnish a list for taxation on blanks furnished for that purpose. The law makes such person his OWN ASSESSOR, and as such you are to return all taxable property in your possession on the 11th day of April at its TRUE VALUE IN MONEY.

Each return must be filled out complete and SWORN to within fifteen days and delivered to the County Auditor before the first of May, 1920.

Failure to observe the law, penalties apply as follows: The taxpayers lose the exemption allowed by law and are also subject to a 50 percent penalty for willful neglect, and for false oath liable to prosecution for perjury.

Failure to receive a blank by mail is no excuse.

Do not delay, 15 days is the limit. Help us out by returning your list at once.

Read and study your blank and instruction sheet before making entries. Your taxing district will be stamped on the blank when same is mailed. However, if you have moved into another taxing district, please change to your present taxing district.

If you have property to list in two or more taxing districts, please fill blank for each district and name same.

If not a merchant or manufacturer fill out and answer all questions on blank EXCEPT on page 3.

Blanks must be complete as the County Auditor is PROHIBITED FROM RECEIVING RETURN UNTIL SAME IS DONE.

In returning live stock do not fail to state number of animals in each class.

Poultry under 4¹/₂ is made Taxable under new Rating.

The agriculturist should fill out the 4th page.

Those who have constructed or completed new buildings and additions or made improvements since last April, please report same on page two of blank, regardless of action of appraiser.

Complete the blank in full, answer all questions, and return to the County Auditor's office at once.

Tax blanks will be left at the different Banks and Country Stores over the County for the convenience of those who do not receive one by mail.

FAYETTE FARM LABOR IS SHORT

Fayette county farm labor is some what shorter than usual this spring, and many farmers are having considerable difficulty obtaining hands that are dependable, and many co-called farm hands are not wanted by some of the farmers at any price.

Regarding the farm labor problem in the state, which is much the same as in Fayette county, the monthly report of the state Department of Agriculture says:

"The supply of hired labor is reported as 84 per cent of last year and 68 per cent of normal. A special investigation made two weeks ago indicates a reduction of 10 per cent in the total number of men and boys working on farms. The decrease is undoubtedly due to the keen demand for labor at high wages in cities with short hours of labor. The same investigation showed a reduction of 8 per cent, or approximately 900,000 acres in the total acreage intended to be cropped this year compared to 1919. The reduction is attributed by the correspondents to several causes; first, scarcity of farm labor; second, uncertainty of farm prices—farmers are afraid to risk paying the high prices demanded by labor; third, unfavorable weather for the sowing of wheat and rye last fall, and the extensive winter killing of wheat in many sections. The wages of farm labor where men are obtainable, have advanced 22 per cent or from \$46 to as high as \$56 a month with board during the past year. This investigation also showed that the use of tractors and other labor saving machinery is being considerably extended to offset the shortage of labor. There are 4 per cent more empty houses on farms than a year ago."

WANTED — Carpenter work and repairing. Reasonable wages. Auto. Phone 8834. 81 112

WANTED — To buy old fashioned bed, dishes and furniture of all kinds. Call Grace Ogle, Automatic 22901. 78 17

COMMUNICATED

Editor Herald:

I note that great stress has been laid upon one part of Dr. Eldridge's visit to this city and his address in the Church of Christ last Sunday afternoon, in that he is engaged in trying to put the Bible into the public schools and universities in this state. This is no new idea or movement, although it may seem so to many of your readers.

Long before 1888 when the Jr. O. U. A. M. was first organized, there was built into its foundation the following declaration:

"We would place a school house on every hill top and in every valley, an American flag over every school house, the HOLY BIBLE in EVERY SCHOOL ROOM, GOOD AMERICAN CITIZENS on EVERY SCHOOL BOARD, so that the love of God, of man, the country and the flag would be instilled in every pupil's heart and brain."

It might also be of interest to many of your readers to know that the Jr. O. U. A. M. has placed Bibles in thousands of public school rooms in this great country of ours. And I might add also that the grand old Stars and Stripes which so proudly float over thousands of school buildings and universities in beloved America today have been placed there largely through the influence and persistent effort of this patriotic Order.

Most Respectfully,
 Z. E. IRVIN.
 Washington C. H. O., April 13, 1920.

DANCING BAN LIFTED

Boston, April 14.—The new England Conference of the Methodist Episcopal Church this afternoon voted to lift the ban on dancing, card playing and theater going.

The forbidden words will be dropped from the Book of Discipline.

In their place will be substituted: "Practices that result in the loss of moral and spiritual character."

HAS WINTER WORN YOU DOWN?

Sick ness That Lingers, or Strain of Caring for Others, Makes Spring Days Dangerous

GET BACK YOUR STRENGTH

Red Blood Means Old-time Vigor, and Pepto-Mangan Builds Rich, Red Blood

Perhaps you've been ill this winter—or others in the family have, and you've worn yourself out with extra burdens. And now your strength is slow to return.

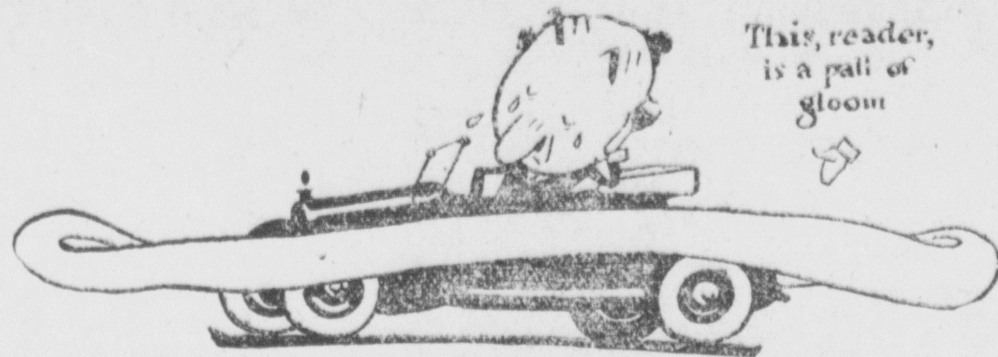

Week after week you've felt too tired for anything, and have looked ill, too—color bad, eyes dull, and no enthusiasm.

When you don't feel well you are not well. Probably what you need right now is the good blood tonic, Pepto-Mangan. Physicians everywhere recommend Pepto-Mangan for run-down, anemic people. Ask your doctor about it. Pepto-Mangan supplies the things that blood-starved people lack. It puts iron and vigor in the blood. It paints the cheeks in Nature's way, and restores the hearty appetite.

The blood is naturally sluggish in the Spring and the whole family would profit by taking Pepto-Mangan, which tones up and builds up. It is pleasant-tasting and soon makes you feel better. Your own druggist has it ready for your call, and in both liquid and tablet form, just as you prefer.

But to be certain that you get the genuine Pepto-Mangan, ask for it by the full name, "Gude's Pepto-Mangan." Look for the name "Gude's" on the package. Advertisement.

Are Your Motoring Days But a Gray, Ghastly Gloom?

Are you fed up on lamping but tail lights and spares? Are you left at the post when the cop signals "Go!"? And can you pass nothing but telegraph poles?

Your engine is shy on the go-get-'em kick. But there is a nostrum for all of these ills. The prescription reads:

Columbus Gasoline

You're pouring fast, happy miles into your car when you tank up with Columbus. You say good-bye to engine knocks and get a real thrill every time your foot touches the accelerator.

As soon as you load up with Columbus, you can take the old highway grouch out back of the garage and bury it deep.

Then go out and make dust—for some other poor fish to eat. Columbus carries the punch to speed you up steep hills and makes your car get away like a ten-second sprinter.

Just start Columbus coursing through the veins of your car, and get the benefit of that extra power and extra mileage that you've always wanted.
